Newcomer Driver Education Funding (NDEF)

Reviewed February 17, 2026

1. The aim of the NDEF program is to help newcomers to get their Class 5 licence with the goal being better settlement and employment outcomes for the individual or family unit.
2. To get a Class 5 licence in Saskatchewan, a person must pass the Class 5 Road Test¹. To take this test, they must first finish a training program of 6 hours in-car and 6 hours in-class from a certified driver instructor². This training can be costly. The NDEF program helps newcomers to overcome this barrier to getting their licence.

 - Family size includes an individual, or a couple, and their dependants.
 - Annual Income⁵:

Family size	Total family income
